#### **1) Disclaimer of Liability:**

ILCO Chemikalien GmbH takes great care as regards the compilation of the content of this Internet site. Notwithstanding careful control of the content, ILCO Chemikalien GmbH disclaims any responsibility for the topicality, accuracy or completeness of the information contained on this site or for unimpeded access thereto at all times. These pages constitute a non-binding presentation of information by ILCO Chemikalien GmbH which may be amended, supplemented or deleted at any time without prior notice. This also applies for all content made available for download. The individual pages of the website are operated and administered by ILCO Chemikalien GmbH company notified on this website as responsible company in compliance with the legal requirements valid at that company's registered office. If content is accessed from other locations, the user is solely responsible for conformity of use in compliance with the regulations and provisions in force at that location.

The data in this website and included documents are based on our general experience and knowledge at the time of publication and is intended to give information of possible applications to a reader with technical experience. It constitutes neither an assurance of product properties nor does it release the user from the obligation of performing preliminary field tests with the product selected for a specific application. All data are guide values which depend on the lubricant's composition, the intended use and the application method. The technical values of lubricants change depending on the mechanical, dynamical, chemical and thermal loads, time and pressure. These changes may affect the function of a component. We recommend contacting us to discuss your specific application. If possible we will be pleased to provide a sample for testing on request. ILCO products are continually improved. Therefore, ILCO Chemikalien GmbH reserves the right to change all the technical data in this website and included documents at any time without notice.

#### **2) Disclaimer for External Links:**

ILCO Chemikalien GmbH is not responsible for either the availability or the content of any off-site pages referenced. This applies for content already available at the time the link was established and for any subsequent changes to external Internet pages. ILCO Chemikalien GmbH expressly states that no illegal content on linked pages was identifiable at the time the link was made.

#### **3) Disclaimer of Satisfactory Quality and Warranties:**

Under no circumstances may the information contained in these Internet pages be construed as confirmation of the satisfactory quality of products or services nor may such information in any way constitute any warranty of any kind, either express or implied, on the part of ILCO Chemikalien GmbH. Such information may be amended, supplemented or deleted at any time without prior notice.

#### **4) Privacy Policy**

This website does not collect personally identifiable information about individuals except when such individuals specifically provide such information on a voluntary basis. In the event that personally identifiable information is voluntarily made available, such information will solely be used for the agreed purpose.
